Arcadia Track Will Remain This Means That Mike Donlin Closed in Favor of Emeryville,

SAN FRANCISCO, Oct. 11.-Percy W. Treat, secretary of the New California Jockey club, received today a telegram from Thomas H, Williams, president of the club, dated New York, which annunces that the New California and th Los Angeles clubs have "pooled issues" and that there is little likelihood that saces will be held at the Arcadia track, Loss Angeles, this winter. Williams states that racing will begin at the Emergyille track November 29 and con-

"We guarantee the horsemen sixty days actual racing and we hope that the meeting will hast longer. No purses will be less than \$250 and added money will be offered as liberally as conditions per-mit."

mid.

The felegram is taken here to mean that the light against the anti-gambling bill, if such is planned, will center at the Cakland track and that the jockey clubs will not divide their forces by opening the southern club. The sending of the message is said to have followed a conference in New York between Williams and those interested in the Arcadia track.

Chief Desmond was the good thing at the track. Closing at 15 to 1, no one particularly cared for the Chief, but he made good by splitting the wind in a field of twelve starters and won by half a longin from Encora, a 12 to 1 shot. Little Butlercap, the 5 to 2 favorite, was outrin in the stretch, finishing fifth.

Ethon won the feature event, seven finions, by a scant nose from John Louis, 1.27, 2-5, the fastest time made at the meeting. The ride of Van Dusen on Charife Paine was about as poor as could be had in the third race for one mile.
